

BISHOP MONKTON LOCAL HISTORY GROUP

Presents

LIFE UNDER LOCKDOWN IN A NORTH YORKSHIRE VILLAGE

An exhibition of pictures, videos and words telling the story of Bishop Monkton during the Coronavirus pandemic

IMAGES – SECTION 1

Welcome

Bishop Monkton Local History Group welcomes you to this exhibition which captures the experience of our village during the Coronavirus pandemic.

The exhibition has been produced in conjunction with the village website 'Bishop Monkton Today'.

It brings together the pictures and words of the people who live here.

Most of the pictures have been taken by residents of Bishop Monkton using their mobile phones.

They provide a record of an extraordinary period in our history.

This online version matches the exhibition held in the Bishop Monkton Village Hall in August 2021.

We hope you enjoy the exhibition.
